For a Limited Time the SPCA Offers Huge Discount on Spay/Neuter Service

Charlottesville, Virginia: For a very limited time, the SPCA is offering spay/neuter surgery at a discounted rate. Residents of Charlottesville or Albemarle County can have their cat spayed or neutered for FREE while a dog spay/neuter is only \$30. Out of jurisdiction residents are eligible for \$20 cat spay/neuter or a \$50 dog spay/neuter. Spay/neutering your pet can have many health and behavioral benefits and will help prevent the overpopulation of homeless animals in our community.

Executive Director, Susanne Kogut, explained, “this absolutely is the biggest discount that we have offered to the public for spay/neuter, and this service is available to anyone that just can not afford to spay or neuter their pet now. However, it is definitely a limited time only offer. We need everyone who needs spay/neuter assistance to contact the SPCA today, as this incredible discount will not be available in the busy summer months.” The SPCA is able to offer this discount because of funds generously donated specifically for spay/neuter. The SPCA has a goal to spay/neuter more than 7,000 animals this year. Spay/neutering of animals in our community will reduce the number of unplanned puppy and kitten births and help the SPCA maintain its No Kill mission

Appointments for spay/neutered at the SPCA can be made by filling out an application online at www.casppca.org or by calling (434) 964-3333. Appointments are required for spay/neuter surgery.

The mission of the Charlottesville-Albemarle SPCA is to provide a safe and nurturing environment for the lost, abandoned, and homeless animals of the City of Charlottesville and the County of Albemarle and to increase the number of these animals being placed in appropriate, loving, and permanent homes through adoptions, foster care, and outreach, and to set a standard of excellence and leadership in shelter animal care, humane education, and progressive animal welfare programs.

For more information about the SPCA or to donate for spay/neuter call 434-973-5959 or visit our website at www.caspca.org. The SPCA's main adoption center is located at 3355 Berkmar Drive in Charlottesville and is open seven days a week from 12 p.m. – 6 p.m.
